

Dynamic Therapy for Kids®

CANCELLATION POLICY

In order to maintain quality treatment programs and maximize your child's success, we need to have in place policies that will help to keep your child's visits be as consistent as possible.

These policies are effective as of June 1, 2004 until further notice and serve to replace any prior policies.

If you need to cancel your visit, please inform your therapist as soon as possible, and more than 24 hours in advance. However, we understand that occasionally emergencies arise or children become suddenly ill, etc. Please notify us as soon as you are aware that your child will not be attending his/her therapy session for these reasons. This will allow us to plan our schedules accordingly.

We will make every effort to reschedule your visit in the same week if possible.

If no prior cancellation is made, or cancellation occurs with less than 24 hour notice (with the exception of illness/emergencies) on three separate occasions, a \$25.00 fee will be assessed at the next visit. Dynamic Therapy also reserves the right to discharge your child after three sessions are missed without prior cancellation.

If you are having trouble keeping your scheduled appointments, a meeting will be set up with the Owner to try to resolve the issues.
