

Dynamic Therapy for Kids®

- Dynamic Therapy for Kids welcomes your child and family to our team of Physical Therapists, Occupational Therapists, Speech Therapists, and CBRS providers.
- Dynamic Therapy for Kids has provided pediatric therapy services in the Wake County area since 1993.
- Dynamic Therapy for Kids staff members are trained exclusively to work with the pediatric population. We communicate and work with all members of the family, child-care team, and others involved in your child's day-to-day experiences.
- Dynamic Therapy for Kids can file all insurances, whether we are in or out of network. Please see our office manager for a list of contracted insurance companies.
- Dynamic Therapy for Kids can offer flexibility in service locations, including our Apex office, your home, your child's daycare, other appropriate locations in the community.
